

We remember Dr. King's Legacy with service in our community each January. In honor of the 2018 MLK Day of Service, the PTA, staff and students of Burnt Mills Elementary are sponsoring a Toy Drive to benefit the students of our school. Together, we will create an indoor recess toy bin for every classroom!

Burnt Mills ES is collecting donations of toys and games for our students' indoor recess time.

Let's serve our school by bringing gently used toys and games from home!
